PROFILE

Communications, marketing and operations professional with a B.S. in Business Administration (Marketing, 3.85 GPA) and an associate degree in HVAC-R technology. Experience spans PR agency account work for national food, beverage, hospitality and lifestyle brands; social media content and outreach for a creative brand; and on-site supervision, vendor coordination and field service for mechanical contractors. Known for clear communication, organization and follow-through in fast-paced, high-pressure settings, and for working well with clients, crews and media alike.

SKILLS

Operations & technical
Proposals and bids · material lists and vendor sourcing · job tracking (Housecall Pro) · HVAC-R service and troubleshooting · jobsite safety

Work style
Detail-oriented and deadline-driven · email and workflow management · adaptable · calm under pressure

EXPERIENCE

On-Site Supervisor / Administrator · *Arthur Mechanical LLC, NJ* — 11/2025 – Present

- Serve as the main point of contact between Arthur Mechanical and general contractors on active commercial job sites; attend contractor meetings and keep timelines, updates and next steps aligned.
- Manage client and contractor communication and email correspondence, and prepare job proposals and bids.
- Build detailed material lists for each project and work directly with vendors to source materials, confirm pricing and secure on-time deliveries.
- Supervise field staff and support scheduling and job coordination across multiple sites.
- Respond to emergency service calls that need immediate troubleshooting and resolution.
- Integrated Housecall Pro to streamline internal workflow, improve job tracking and strengthen operational efficiency.

Account Coordinator · *Berk Communications, New York, NY* — 06/2024 – 08/2025

- Supported a portfolio of food, beverage, hospitality and lifestyle clients with proactive media outreach, coverage tracking and media relationship management.
- Collaborated with account teams to craft creative pitches that secured earned placements in top-tier digital and print outlets.
- Developed and distributed client-facing materials: agendas, call recaps, briefing documents and comprehensive monthly coverage reports.
- Analyzed media trends and performance metrics to evaluate campaign effectiveness and identify new outreach opportunities.
- Clients included The Cheesecake Factory, Caesars Entertainment, Caesars New Orleans, Hughes Satellite Internet, Gran Coramino Tequila, Fanatics, Aruba Hotel, VAI Resort, Brisas Group, Embassy Suites Aruba and Darco Spirits.

Virtual Project Specialist · *The Growing Artist, Charlotte, NC* — 07/2023 – 11/2023

- Led digital brand growth end to end: content creation, strategy and outreach across TikTok, Instagram and the company website.
- Developed and scheduled posts, reels and carousels to raise awareness, highlight services and attract new audiences.
- Researched and identified potential clients and collaborators on social media and opened personalized direct outreach to grow the client base.
- Managed all email outreach, keeping the brand voice consistent and maintaining ongoing communication with leads.
- Optimized the website layout and design to improve visual appeal, navigation and overall performance.

HVAC Service Technician · *Edison Heating & Cooling, Edison, NJ* 01/2021 – 03/2021

- Serviced, repaired and maintained residential and commercial HVAC systems, including boilers, furnaces and rooftop units.
- Explained repair recommendations clearly to homeowners and promoted maintenance plans and equipment upgrades.
- Kept a clean, organized work area and service vehicle for efficient, professional service.

Mechanical Apprentice, 2nd Year · *Johnson Controls, Charlotte, NC* 06/2019 – 11/2020

- Assisted with maintenance and service of commercial HVAC systems: filter replacement, coil and chiller tube cleaning, and cooling tower maintenance.
- Supported troubleshooting on mechanical systems and made sure all work met quality standards, with sites cleaned and secured before leaving.
- Completed pre-job safety checklists and inspected tools and equipment for proper operation and safety compliance.
- Kept a fully stocked work vehicle ready for jobs, including daily travel of up to two hours to job sites.

EDUCATION

B.S. Business Administration, Marketing · *University of North Carolina at Charlotte* Sep 2021 – Dec 2023

- GPA 3.85 / 4.00 · Business Honors Program and Honors College
